About the **President**

Shri Taranjit singh

The President of Shree Narayan Medical Institute (SNMI), Mr. Taranjit Singh, also heads JIS group Educational Initiatives as the Managing Director. JIS group is the largest chain of Institution in Eastern India involved in numerous medical Colleges and University in Bihar and Bengal. The fortune of the Shree Narayan Medical Institute changed the moment he joined the SNMI family with his rich experiences and direction. It is a fact well known about our President that he is chasing the dream that his father, Late Sardar Jodh Singh, cherished – ‘to empower lives through knowledge and education. Needless to say that he has empowered the institution into the best name in Medical education in a very short time in the state of Bihar. In his own words “Education is not a product but a service that contributes to building society. As a educational professional it's our responsibility to see what students need and to provide them with it so that they achieve success”. We at Shri Narayan Institute thank our President for his gracious word and value. It is because of his exemplary leadership that we hope to attain many milestones as envisaged by him.

ADMINISTRATIVE BUILDING

COURTYARD OF ADMINISTRATIVE BUILDING

Message from the **Desk of Chairman**

Shri Ravindra Kumar Singh

Chairman, Shree Narayan Medical College

Shree Narayan Medical College, Saharsa, Bihar has started its numerous activities with a number of qualified personnel and some enthusiastic young men and women. The Medical College and associated Hospital has the capacity to provide efficient technical & non-technical persons to render complete dedication to run the educational institutions successfully. Shree Narayan Medical College, Saharsa, is solely dedicated to promote, establish, run and maintain educational institutions of excellence and health care services. It has started its journey in the year 2018 and approved by National Medical Commission and Ministry of Health & Family Welfare, Govt. of India for MBBS admission of 150 seats from academic session 2021-22.

I am very glad to know that the Prospectus or Information Brochure 2022-23 for Shree Narayan Medical College, Saharsa, Bihar (SNMC) is going to be published. Today, it is my proud privilege to introduce this as totally self-financed Medical College & Hospital in Saharsa, Bihar with world class academic and hospital infrastructures.

I am sure that the Medical College along with the Hospital will soon become a centre of excellence to provide quality medical education as well as best health care facilities all over the region for public benefit. On behalf of Management of SNMC, Saharsa I am pleased to have you on board. I welcome you to be a part of this amazing experience! Wishing you all the best in your endeavours!

Message from the **Desk of Managing Trustee**

Smt. Kameshwari Kumari

Managing Trustee

It is indeed a great opportunity for me to serve as the managing trustee of the prestigious institute, Shree Narayan Medical College, NH- 107, Mahavir Nagar, Bherdhari, Saharsa, Bihar. As a trustee member, I am proud to lead our institution's commitment to improve the healthcare of society through excellence in medical education, biomedical research and patient care and fully committed to provide teaching and health care of the highest standard. There are two objects of medical education: to heal the sick, and to advance the science. Our Medical College leverages scientific capabilities, expertise and resources to provide medical education focused on preparing physicians for the medicine of tomorrow.

At our institute the best and the brightest minds are challenged to master the science of medicine and develop a sense of concern and compassionate care for mankind in all respect. We encourage our students to walk the extra mile by not only focusing on the academic perfection, but also in developing their critical thinking this is achieved by exposure and participation in patient care and clinical tests.

We believe in digitally controlled academia, research, resource management, library and intellectual management. Hence we seek together to create a society of fairness, characters and integrity. Welcome to be a part of commendable learning and brighter future. We will help you to raise and rise on the ladders of career.

COMPETENCY BASED CURRICULUM [CBME] OF THE INDIAN MEDICAL GRADUATE PROGRAMME [IMG]

PHASE WISE TRAINING AND TIME DISTRIBUTION FOR PROFESSIONAL DEVELOPMENT

The Competency based Under graduate Curriculum and Attitude, Ethics and Communication (AETCOM) course, as published by the Medical Council of India and also made available on the Council's website, shall be the curriculum for the batches admitted in MBBS from the academic year 2019-20 onwards.

Training period and time distribution :

- Every learner shall undergo a period of certified study extending over **4 ½ academic years**, divided into **nine semesters** from the date of commencement of course to the date of completion of examination which shall be followed by **one year of compulsory rotating internship**.

- Each academic year will have at **least 240 teaching days** with a minimum of eight hours of working on each day including one hour as lunch break.

- Teaching and learning shall be aligned and integrated across specialties both vertically and horizontally for better learner comprehension. Learner centered learning methods should include problem oriented learning, case studies, community oriented learning, self-directed and experiential learning.

The period of 4 ½ years is divided as follows :

Pre-Clinical Phase [(Phase I) - First Professional phase of 13 months] preceded by Foundation Course of one month]: will consist of preclinical subjects – Human Anatomy, Physiology, Biochemistry, Introduction to Community Medicine, Humanities, Professional development including Attitude, Ethics & Communication (AETCOM) module and early clinical exposure, ensuring both horizontal and vertical integration.

Para-clinical phase [(Phase II) - Second Professional (12 months)] : will consist of Para-clinical subjects namely Pathology, Pharmacology, Microbiology, Community Medicine, Forensic Medicine and Toxicology, Professional development including Attitude, Ethics & Communication (AETCOM) module and introduction to clinical subjects ensuring both horizontal and vertical integration. The clinical exposure to learners will be in the form of

Lecture theatre Gallery

learner-doctor method of clinical training in all phases. The emphasis will be on primary , preventive and comprehensive health care. Apart of training during clinical postings should take place at the primary level of healthcare. It is desirable to provide learning experiences in secondary health care, wherever possible. This will involve: (a) Experience in recognizing and managing common problems seen in outpatient, inpatient and emergency settings, (b) Involvement in patient care as a team member, (c) Involvement in patient management and performance of basic procedures.

Clinical Phase – [(Phase III) Third Professional (28 months)] (a) Part I (13 months) - The clinical subjects include General Medicine, General Surgery, Obstetrics & Gynaecology, Pediatrics, Orthopaedics, Dermatology , Otorhinolaryngology , Ophthalmology , Community Medicine, Forensic Medicine and Toxicology , Psychiatry , Respiratory Medicine, Radiodiagnosis & Radiotherapy and Anaesthesiology & Professional development including AETCOM module.

(b) Electives (2 months) - To provide learners with opportunity for diverse learning experiences, to do research/community projects that will stimulate enquiry , self directed experimental learning and lateral thinking. **(c) Part II (13 months)** - Clinical subjects include: i.

Medicine and allied specialties (General Medicine, Psychiatry , Dermatology Venereology and Leprosy (DVL), Respiratory Medicine including Tuberculosis) ii. Surgery and allied specialties (General Surgery, Orthopedics [including trauma]),Dentistry, Physical Medicine and rehabilitation, Anaesthesiology and Radiodiagnosis) iii. Obstetrics and Gynecology (including Family Welfare) iv. Pediatrics v. AETCOM module

Duration of clinical postings will be :

Second Professional : 36 weeks of clinical posting (Three hours per day - five days per week: Total 540 hours)

Third Professional part I : 42 weeks of clinical posting (Three hours per day - six days per week: Total 756 hours)

Third Professional part II : 44 weeks of clinical posting (Three hours per day - six days per week: Total 792 hours) 8.6 Time allotted excludes time reserved for internal/ University examinations, and vacation. 8.7 Second professional clinical postings shall commence before/ after declaration of results of the first professional phase examinations, as decided by the institution/ University . Third Professional parts I and part II clinical postings shall start no later than two weeks after the completion of the previous professional examination. **About 25% of allotted time** of third Professional shall be utilized for integrated learning with pre- and para-clinical subjects. This will be included in the assessment of clinical subjects.
