### **Responsibilities:**

Serves as the chief academic policy advisory body in matters relating to academic budgeting, curriculum revision and development, academic program planning, faculty personnel matter, academic standards, the graduate program, and faculty research. The committee serves as the forum for the final review and discussion of policies, procedures and practices that involve collaboration and coordination among and between the departments and division. The committee shall also organize interdepartmental meetings like grand rounds, statistical meeting and clinic-pathological meetings. The council will draw up curriculum and training program with the support of Medical Education Unit. It will enforce discipline within the campus. **Frequency of Meetings:** The council shall meet at least 4 times in a year.
